On Wednesday 23rd July Primary students travelled to Dubbo for an All Schools Touch Football Competition. Even though most of the students had never played Touch Football until this term, both teams had an outstanding day. All students represented our school with pride and showed fantastic team work and communication skills on the field.

**Boys Team** – Thomas Yeo, Jacob Howarth, Connor Tineknell, Bailey Hughes-Tincknell, Oscar Monk, Angus Tudgey, Klayton Campbell, Stephen Eyles.
PRINCIPAL’S REPORT

Education Week
This Wednesday we will be celebrating Education Week. Celebrations will start with a sausage sizzle for lunch where everyone is invited, all family members and friends are welcome. After lunch we will have an assembly where students from each class will make a performance. Between the assembly and the end of the day we have open classrooms where all parents are welcome to come in and see your child’s class work. Children love to show their work to parents and grandparents so please come along to support your child’s education as we celebrate Education Week.

Welcome Mrs Turnbull
Mrs Kylie Turnbull this week started in her new temporary role as Assistant Principal Learning & Support. This is a regional support role however it will be based here at MCS. So although Mrs Turnbull will not be officially on our school’s staff, it will be great to have her here working in the school and we welcome her immensely.

Elective Fees
We have a number of elective fees outstanding. These fees are not optional as they pay for the materials for the subject that your child chose to study. Could parents please pay these ASAP.

Major Excursion
Although we have had less uptake for this year’s excursion, it is proceeding. Mr Newberry, who has put together a fantastic itinerary had a meeting with students who will be attending late last week. In this meeting, students were given some final dietary and permission paper work that needs to be filled out by parents and returned to the school, we ask that families do this as early as possible.

Secondary Reports
Semester One reports for secondary students were sent home on Friday of last week. We apologise for the delay in these reports caused by the roll out of the new LMBR computer system. If any parents require a meeting with your child’s teacher regarding any part of the reports, please ring the school to request an appointment.
**KINDERGARTEN/YEAR 1 NEWS**

We have had a great start back to the term! All the students are very happy and settled in class and working well.

The students are bringing in lots of interesting items for their “Me” boxes. These objects or personal artefacts can be any items that provide memories of their lives such as a photo or may be a shell or magnet that is a symbol of a family holiday to the beach or elsewhere. Students will be able to draw pictures of valuable or large items that are unable to be brought in or fit in their box. They may also take photos or bring in a magazine picture of items to add to their box.

Kindergarten have been learning tricky words and focusing on the sounds “ee” and “ea” while Year One have been doing activities based on “igh” words.

In Maths, we have been learning about numbers, place value and addition.

During our Social Skills session we have been learning how to give compliments (saying something nice) to others and saying thank you when we receive a compliment. We played a game called Carwash where we had to give other students compliments as they passed through the carwash.

**CANTEEN HELPERS - DESPERATELY WANTED!!**

We are still short of helpers in the school canteen. If you can spare one day a term (times are basically 10-2pm) we would really appreciate it. The old ‘many hands make light work’ really does make a difference!! Please consider bringing a friend and helping us out! Also, a friendly reminder that secondary students are not allowed in the canteen. Thank You.

**SPECIAL THANK YOU**

I would like to take this opportunity to thank all my drivers over the last term. It is wonderful to have parents who can take students to different events. A huge thank you from myself and all the students at Mendooran Central School.

**SECONDARY NEWS GENERAL**

Last week 5 of our Year 8 students attended the University of NSW “Beyond the Gate” program in Sydney. Many thanks to Miss Yeo for supervising the students. It was a very successful trip and the students gained valuable insight into living in the city and what university life would be like. A representative from the University of New England explained the early entry and scholarship process to our Year 12 students last Friday. It was valuable information and the students have a clearer understanding of the processes involved.  

Our vice captains, Steven Rutter and Kaitlyn Thomson will attend the Warrumbungle Shire luncheon in Coonabarabran tomorrow with Mr Spora.  

Parents, carers and community members are invited to our school Education Week celebration this Wednesday, beginning with a sausage sizzle at 12.50pm.

STUDENTS IN ACTION!
PARENTS: The due date for the school to pay for the accommodation, transport and the 15 tours, activities, events and visits we have arranged is approaching fast. It is vital that we have the payment for the excursion to the front office ASAP.

The date for the Sydney excursion is drawing near at a rapid pace, and before we leave it is important for all students who are going, to make certain they have brought all their forms and permission slips to the front office. If you are unsure about this, please see Mr Newberry as soon as possible and we will sort it out.

It’s going to be an action packed amazing week, and the students are going to experience some exciting adventures in Sydney (some things I haven’t even done and I lived there) so please make sure everything is submitted as soon as possible.

The pictures shown here are all activities the students will be doing, and as you can see from the photos it is going to be a full and exhilarating week. I can hardly wait!

WALK WITH ME
Victoria Park in Dubbo will definitely be the place to be on 27 September when people with disabilities, their families, carers and community members get together for Walk With Me.
Zumba, a jumping castle, face painting, sausage sizzle, balloons, music and special visits from the police and fire brigade are just some of the great activities we have planned!
Walk With Me will be a great chance for people to get together, have fun, make new friends and celebrate the achievements of local people with disabilities.

REGISTER NOW
Today, you can register to take part in the fun by visiting the Walk With Me website. I am excited about Walk With Me and hope you can help me spread the word about it by forwarding this email to three of your closest friends and family members.
The fun starts at 10am on Saturday 27 September and all of us at Northcott hope to see you there on the day!
