UNIFORM SURVEY INSIDE!
**PRINCIPAL’S NOTES**

**HSC**
The Higher School Certificate examinations begin today. We have three students; Bronwyn Drew, Jake McKenna and Steven Rutter sitting the examinations over the next month. We are also hosting the Holmes students, who are Distance Education students, for examinations during this time. Many thanks to our Convenor, Jenny Luckie and her assistants, Kim Skinner and Jenny Smith. Best of luck to all!!

**Uniform**
At the back of the newsletter, there is a questionnaire in regard to whether parents and students would like to see the uniform change and if so what changes. It is important to us that the uniform is accessible and affordable. Changes to the school uniform will be implemented based on this survey, so please return the questionnaire by Friday to the office.

**Bandana Day**
The SRC will be selling bandanas and various other items for Bandana Day on Friday October 30th. The funds raised will go to Canteen, an organisation supporting children with cancer.

**Aspire**
Our visit from the University of NSW Aspire team was a tremendous success last week, with activities held with all students from Kindergarten to Year 10. The students thoroughly enjoyed the workshops. Kindergarten received a diploma, a teddy bear graduate and participated in a mock graduation ceremony.

**Excursions**
Excursions have been planned for this term, with notes and money coming in. Please indicate whether your child is attending, particularly for the first primary excursion to Lake Burrendong.

**Transition Meetings**
This Wednesday afternoon at 3.30pm in the BER, the Secondary staff will be hosting a meeting with Year 10 parents. At the meeting information will be provided about courses and options for next year.

J Waters
KINDERGARTEN/YEAR 1

I have not been at school this past week due to the passing of my father. Thank you to Mrs Bush for taking my class for the week. Students participated in all regular lessons and instructions.

Our focus in History this term will be on Families and in Science we will be looking at objects and their purpose and mixing things together.

In our interactive writing lessons we will begin by focusing on adverbs while continuing to look at what good writers use in their writing (capitals, full-stops, spaces, even size letters).

The students are pleased to be back at school and are happily participating in all learning activities. We look forward to our new Kindergarten students for 2016 visiting us next Monday, 19th October between 10:00am and 10:50am.

This week in our Grammar, Punctuation and Vocabulary lessons we will be focusing on plurals and in Maths we will be recognising, describing and continuing a variety of patterns with numbers and objects.

The ZoosnooZ excursion will be held in Week 5, on Thursday 5th and Friday 6th November, 2015. The permission note, medical information and payment of $30.00 need to be sent into the school office by 26th October, 2015.

Mendooran Annual Public Speaking Competition

Our whole school Public Speaking Competition is running for the first but certainly not the last year. A range of topics have been set for each stage and these are listed on the following page.

The purpose of our school wide competition is to develop confidence in the children with their skills in presenting before a peer audience.

Every child from Kinder to Year 10 is expected to present a speech. Students will be given some class time to prepare their speeches but majority of their speech will need to be written at home. Public speaking strategies will be discussed during classes.

Students will have until the beginning of Week 7 Term 4 to prepare a speech, selecting from one of the topics listed.

The length of speeches will be:

1 **minute** for Kindergarten to Year 2, (15 seconds either side is acceptable)
2 **minutes** for Years 3-6. (15 seconds either side is acceptable)
3 **minutes** for Years 7-8. (15 seconds either side is acceptable)
4 **minutes** for Years 9-10. (15 seconds either side is acceptable)

Throughout Weeks 4, 5 & 6 of Term 4, speeches will be presented in class groups and semi-finalists chosen from each class. Semi-finals will then be held for teachers to select 3 finalists per stage.

At a special assembly on **Thursday 19th November, (Week 7) in the COLA at 11:10am, all finalists will present their speeches** before the school and a panel of 3 judges. Parents are invited to attend.

Information has been included to assist you and your children prepare their speeches. No props, gimmicks or costumes will be used. Palm cards and notes are allowed.

Teachers are looking forward to listening to some wonderful speeches.
Good luck to everyone.
Thank you for your time and involvement,

Melissa Galiatsatos
Secondary English Teacher/Public Speaking Coordinator
PUBLIC SPEAKING – GENERAL ADVICE

The following general advice about public speaking includes information condensed from “Taking the Initiative – A Guide to Debating and Public Speaking, Revised Edition, 1999, NSW DET.”

PREPARATION

SUBJECT – This is chosen from the topic list given. Children should choose one that they are comfortable with and know the most about.

PURPOSE – This is what the children want the audience to think. It could be:

- To tell the audience about something
- To make them think the same way as the speaker
- To get them to feel the same way as the speaker
- To make them understand something
- To tell them feelings about something

Remember this is not news time. Children don’t bring something to show. They have to use only words to tell the audience about their subject. Think – will the individual be most comfortable with palm cards and/or a small list of ideas or pictures to help remember what they want to say?

SPEAKERS WILL BE JUDGED UNDER THE FOLLOWING CRITERIA:

STRUCTURE AND CONTENT (Method and Matter)

Introduction – This should gain attention and help connect with the audience. The introduction might include the title of your speech (but not in a way such as ‘Today my topic is...’); a question that will be answered in the middle of the speech; a startling opinion, fact or statement or a real life example.

Development (body) – In the body the speaker gets their message across. Include a few well-explained ideas or arguments that support the topic and purpose of your speech. The points should be linked together. Don’t recite them like a list. A humorous story can be used but not overdone.

Conclusion – Never end with just “Thank you” or “That’s all”. Find a way to conclude the speech that sums up what has been presented in the speech.

PERFORMANCE (Manner) - The following aspects of manner are considered:

- Gesture and Stance - These should be natural and relaxed without being sloppy. Gestures should be appropriate to the meaning and tone of what is being said and not unnatural or repetitive. For example, hands could be upturned in a questioning manner. Speakers should try to avoid distracting mannerisms.
- Visual Expression – Facial expressions should support the content of the speech.
- Eye Contact with the audience is vital so reading from notes should be kept to a minimum.
- Vocal Variation - Appropriate variations in pitch, pace, pause and volume add interest to a speech and create emphasis.

Attention Parents of children with Asthma and Anaphylaxis

Important information for parents of children who carry their own medication at school and/or who self medicate.

Please remind your child to:

- carry their medication with them to and at school each day and/or as agreed with the school;
- know how and when this medication should be used;
- keep their medication with them in an easily accessible and identifiable spot.
  For example some parents have bought pouches so their children can carry around their adrenaline auto-injector for anaphylaxis wherever they go;
- tell a teacher immediately if they start to feel unwell or sick at school. Please tell them this won’t get them into trouble if they do this;
- tell you immediately if their medication is used, lost or misplaced or is nearing its expiration date; and
- carry their medication with them on all school excursions, training at TAFE and any work experience or structured work place learning your child is involved in and as agreed with the school.
- keep a copy of their ASCIA Action Plan for Anaphylaxis with their EpiPen®, Anapen® for anaphylaxis
- keep a copy of their Asthma Action Plan with their asthma reliever medication for asthma.
- Please note the school must be supplied with a copy of the above relevant documents from your doctor. Please contact the school if you require further information.

NOTE FOR ANAPHYLAXIS and ASTHMA: The school still needs you to provide at least one additional EpiPen®, Anapen® and/or asthma reliever medication for your child in case we need it in an emergency. This could happen, for example, if your child doesn’t have theirs with them at school when it is needed. We will store it in a central location in the school and use it to help your child if needed.

Our Dance Concert will be held on 19th October 2015. We would like everyone to bring a plate to share at the Memorial Club at the presentation which will be held after the dance concert. We are also collecting $10 from each family to buy Shanoa a gift, for such a great dancing year and for all her time, organising and dedication to our dancers. Money can be handed to Louise Monk.

MENDOORAN YOUTH GROUP
The Mendooran Youth Group trivia night was held on Friday night, 9th October. It was a great success with around 100 people playing trivia. Plenty of prizes for all and followed by a huge charity auction.
With the support of all those in attendance and our very generous sponsors, along with some cash donations, we raised a grand total of $4125 for the Mendooran Youth Group. This money goes straight back into the Youth Group account, paying for events, new equipment and upgrades to ensure Mendooran kids get every opportunity for fun and social activities that bigger town kids get. Thank you all for you support and generosity, it is truly overwhelming.
A very big thank you to Wendy Hobbs and all the other helps. We couldn't have done it without you.

The School Council is considering some changes to the School uniform and is seeking feedback from you in regards to possible changes.

*Changes will be based on the results of this survey*, so make sure you have your say and return the survey to school by this Friday.

**NO CHANGE TO SPORTS UNIFORM and JUMPERS.**
- Existing black and white sport polo, black shorts or black skirt, white socks, joggers (coloured joggers only permitted on sport days).

- Existing black sloppy joes and knitted woollen jumpers would remain the

☐ I do not wish the uniform to change.

☐ All secondary and primary, white shirts, black shorts or skirts,
No grey shirts, shorts or pants, no checked dresses, shorts or skirts.
White socks and black shoes.

☐ INTRODUCE A COLOUR  ☐ Emerald  ☐ Maroon

white socks and black shoes.
Secondary - black shorts or skirt, white polo or button through shirt.

Our aim in 2016 is to have all aspects of the uniform affordable and available for purchase at the School. We would also like to introduce microfibre sports shorts and microfibre track pants with MCS lettering on the leg in white as well as a new microfibre sport jacket which would include the chosen colour above, black and white, if the survey introduces a third colour.
