WELCOME BACK TO TERM 3!!!

Secondary students, Jayden Carpenter and Chelsea Poyer, showcase their woodwork pieces which they completed last term. The quality and workmanship are exceptional. Well done!

We are proud of our Primary students, who received Merit Awards for keeping the playground clean and tidy!

Proud Primary students, receiving their Major Win Bin Draw prizes. Win Bins are given out during the term for good behaviour when Staff actively “catch” students doing the right thing.

**PRINCIPAL’S NOTES**

**Welcome Back**
Welcome back to Term 3. We trust everyone has had a restful holiday and are ready for work. We welcome a new staff member, Mr Darren Palmer, who will teach Years 4/5/6. His background and training are in Primary.

Mr Langes will be teaching in the Secondary school in the Technology (Woodwork and Food) departments. Mrs Raynor remains with us on Monday and Tuesdays and has accepted a position at Binnaway for the remainder of the week.

**NAIDOC Week**
NAIDOC Week was celebrated in the school holidays, 5-12 July. We are again excited to have Mr Ralph Naden and his Aboriginal Dance team perform at our school. Workshops will be held throughout the day for students and an Aboriginal Dance Performance will be held at 2:30pm under the COLA for all students, staff, parents and visitors.

The theme for this year is “We all stand on Sacred Ground: Learn, Respect and Celebrate.” We extend a warm welcome to Mr Naden and his team and extend an invitation to parents and community members who would like to attend.

**Verbal Communication**
Snr Cst Carlton Kopke will be addressing the Secondary school about verbal communication on Wednesday, 15th July. This is an area, as a school, that we are targeting this year. The Primary and Secondary school are concentrating on public speaking, a skill that will better equip our students for life beyond school. School Primary assemblies and Secondary English classes will be used to showcase these events.

Bailey Thompson and Xanthia Turnbull receiving their Fun Run certificates at the end of last term.
Welcome back to Term 3! We look forward to a busy and productive term.
Our focus in HSIE and Science this term will be on “Changes.”
In Science we will be looking at “Changing Lands and Skies” as well as changes in the seasons and in day and night.
In HSIE we will look at changes in families and over time. This will include Family heritage, Changes in our environment, People in our lives and Aboriginal Dreamtime stories and the significance of these stories to the heritage and culture of Aboriginal people.
In our interactive writing lessons we will begin by focusing on plurals, while continuing to revise proper and common nouns and punctuation in sentences.
In Maths we will start off with addition and subtraction. Most students are becoming quite confident in counting forwards and backwards by 1s, 2s, 5s and 10s and have increased their recognition of numerals significantly.
In Personal Development and Health we will continue to look at the qualities which make up a friend and how important it is to listen to others. Our Child Protection unit will commence this term where we look at recognising abuse, relationships and protective strategies. A note will go home at the start of this term informing parents and carers about the program. Parents and carers do not have to sign and return the note unless you do not wish your child to participate. However, we do encourage all students to participate in this very worthwhile program which forms part of our regular lessons in class.
